TRANSCENDENTAL REALISM: THE ART OF ADI DA SAMRAJ

Explore daplastique.com to immerse yourself in Avatar Adi Da's revelatory Image-Art.

It is a rare artist who can convey, convincingly, the sense of being face to face with the source of being. Adi Da can clearly live in the depths without succumbing to their pressure, bringing back pearls of art to prove it.

Donald Kuspit, Critic, Professor of Art History and Philosophy
State University of New York at Stony Brook
