Events—Fall 2008

There exists nowhere in the world today, among Christians, Jews, Muslims, Hindus, Buddhists, native tribalists, or any other groups, anyone who has so much to teach, or speaks with such authority, or is so important for understanding our situation.

## Excerpt from *My Final Work of Divine Indifference*

### “I Am Perfectly Beyond The East and Perfectly Free In The West”

#### II.

I have Revealed and Given a Way that every human being can practice.  
I Made My Divine Avataric Self-Submission and (on That Basis) Did My Divine Avataric Teaching-Work and My Divine Avataric Revelation-Work—and now I am Finished with All of That.

Now I am Retired into the Divine Self-Domain of My Own Person.  
Now, and forever hereafter, I Am Only and Effortlessly Divinely Avatarically Self-“Emerging”, here and everywhere in the cosmic domain.

Therefore, everyone should now (and forever hereafter) come to Me on That Basis.  
I Am Beyond (and altogether Prior to) the Alpha domain of the East. And I can no longer Extend Myself into the Omega domain of the West.

Individuals should approach Me fully prepared—by having already and fully studied the Teaching-Revelation I have Given, and by having already and fully adapted the totality of their lives to the necessary Lawfulness of right relationship to Me, as I have clearly Described it.

Individuals should come to Me because they recognize Me at heart, and accept Me at heart as the Divine Heart-Master—such that they are truly Mastered by Me, and are (Thus and Thereby) able to really participate in My Divine Avataric Self-Transmission of My Transcendental Spiritual Divine Self-Nature, Self-Condition, and Self-State.

I no longer have the capability to associate with people in any conventional manner whatsoever. This is not merely a matter of My Disposition. The mechanism to do so literally no longer exists in Me. In the Great Events of Yogic Death Which I have Undergone, there was the actual Disintegration of the various levels of patterning that I Carried, by virtue of the Born Vehicle of Franklin Jones and the Deeper-Personality Vehicle of Ramakrishna-Vivekananda (and all the “Causative” Births that Preceded Them). In each Great Event of Yogic Death, an aspect of that patterning fell away—because I had Sufficiently Done the Work I was Born to Do with that aspect of the “Equipment” of This Divine Avataric Body-Mind.

I Am on Fire. I cannot suppress My State any more. I am Finished with all of “it”—all of “it”! This Is the Extreme of My Divine Avataric Self-“Emergence”-Time.

In the Years of My Divine Avataric Teaching-Work and Divine Avataric Revelation-Work, I Submitted Myself to people just as they are—worldly people, public people, ordinary people. Through that Great Process of Divine Avataric Self-Submission, I “Learned”, Noticed, Dealt With, and Understood everyone and everything—and I Addressed everyone and everything with My Divine Avataric Word of Instruction.

Right relationship to Me is not a matter of being “comfortable” with Me. I am not here to be your social relation. I Am Just As I Am.

(continued on next page)

Every thing and every one is included in Me—and, yet, every thing and every one is transcended in Me.

—Ruchira Avatar Adi Da Samraj

My egoless Divine Transcendental Spiritual Self-State Is “Who” I Am—and to “Whom” you must come. My Action Masters people—and Blesses them with My Divine Avataric Transcendental Spiritual Self-Transmission.

Such Blessing Is What I Am here to Do.

### III.

I also Teach the walls, the trees, the dogs. It is not that I Give a verbal Teaching to them. My Communication to them is non-verbal.

Because It Is Reality Itself, My Divine Avataric Teaching-Revelation and My Divine Avataric Transcendental Spiritual Self-Transmission are usable and Realizable by all beings, and even by every “thing”—including something as apparently inert as a wall, or a room, or a building.

All of conditionally manifested existence can be Divinely Transcendentally Spiritually Awakened and made right by Me. All of conditionally manifested existence can be turned to Me. There is not anything—no “one”, no entity, no form, no sign, no process, no event, no happening, no appearance—that cannot be devoted to Me, turned to Me, and combined with Me in the egoless Divine Transcendental Spiritual Manner. Everyone and everything can be turned to Me. The entire “world” can be turned to Me. The cosmic domain can—and should—be entirely and Perfectly turned to Me. I Am the Divine Avataric Person and Self-Revelation of Reality Itself.

Human beings tend to make overly much of My Teaching-Revelation as a verbal matter—as something with which to entertain their minds. My Teaching-Revelation is actually a process, not merely a verbal Communication. My Teaching-Revelation Is the process of “radical” devotion and right life That Is “Perfect Knowledge”—because that entire process is in heart-Communion with Me, transcending (and Free-Standing, Always Prior to) the “point of view” (or conditionally and psycho-physically “located”) position.

The dog in My House can do it. So can you.

My verbal Address is certainly usable to human beings. Because human beings exercise the verbal mind, the verbal mind must be Addressed by Me. However, if you merely “think about” My verbal Address, you are wasting your life in the “talking school”.

The Process of Divine Avataric Self-Realization is of a Perfectly (or Always Priorly) egoless Transcendental Spiritual Nature. If you understand what the Way of Adidam is about, then you will apply yourself and adapt quickly, and look to mature in the process readily. There are real requirements, to be sure, and they are not to be compromised—but they can be fulfilled by anyone.
